Best Image of the Salon

June 2016

As I attended the Salon with many of my fellow WCC members and viewed the images presented, it struck me that there were also many folks who were unable to attend this special evening. So, I have put together this special edition with all of the winning images so that everyone can have the opportunity to see and enjoy the wonderful work of our camera club members and know who all of the winners were.

This is an all image edition. No editorial, no promotions or other information is included.

Hope that you enjoy seeing these images as much as I did.

Happy viewing.
